

Garcia Explocat 52

THE ULTIMATE ALUMINUM EXPLORATION CATAMARAN

EXPLOCAT 52

Garcia Yachts presents the Explocat 52, the ultimate aluminum exploration catamaran. Already sold in six units, she completes the range of Garcia Exploration monohulls.

SOLID, SAFE, COMFORTABLE & PERFORMANT

Solidity and structural rigidity of aluminium

The choice of aluminium increases the safety margin of the Explocat 52, designed to navigate off the beaten track. The rigidity of the platform, beyond industry standards, provides reliability and performance.

Seaworthiness and performance

The architectural choices (centering and weight distribution, height under basket, hull design, rostrum, power under sails, ...) ensure a good marine behaviour in complicated seas.

Crew protection

The deck layout is designed for a reduced crew; steering and manoeuvres can be carried out solo, sheltered from the aft cockpit.

Comfort and design

The Garcia shipyard's historical care is taken in the conception, design and realization of the interior fittings, for a top-of-the-range living comfort on board.

ALUMINUM MADE SHAPED HULL

Explocat 52 offers a combination of strongness, durability and lightweight, due to Garcia Yachts' 45 years of expertise in building aluminum shaped hulls.

SAIL EVERYWHERE IN ANY CONDITIONS

The Garcia Explocat 52 is designed to go off the beaten track and considerably broaden the scope of what is possible on a catamaran. She offers a new way to explore the world, previously reserved for monohulls.

AN EXPERT CONCEPT & DESIGN

Explocat 52 is the result of a close collaboration between Pierre Delion (architect), Darnet Design (design), the Garcia Yachts design office and the experts of Outremer and Gunboat.

INNOVATIVE SOLUTION: PENDULAR HELM

A pendular helm system* allows to steer either in a low position, sheltered from the hard bimini covering the cockpit, or high up for manoeuvring and sailing in good weather conditions. This system was not developed when the Explocat 52#1 was ordered, it will be installed on #2 and following.

A FRONT COCKPIT TO OBSERVE ENVIRONMENT

The Garcia Explocat 52 includes a front cockpit : in hot areas, it is a second well-ventilated resting space. In cold and icy areas, it's a protected lookout.

HIGH COMFORT STANDARDS

The insulation, equipment and interior fittings of the Explocat 52 are all to the highest quality standards, characteristic of Garcia Yachts. The headroom is 2.05 m in the living areas.

EXPLORE THE WORLD IN PANORAMIC VISION

With its panoramic view, the Garcia Explocat 52 offers all the advantages of a catamaran aboard a no limit exploration yacht, made to sail among growlers as well as in the lagoons.

WELCOME LARGE CREW ON BOARD

Various interior layouts are proposed, by association of two possibilities on the port hull and three ones on the starboard hull. This allows for 6 to 10 berths and in all cases offers a high level of comfort to the crew.

MAIN SPECIFICATIONS

Overall length:	55,61 ft
Beam:	26,90 ft
Draught:	4,92 ft
Air draught:	83,66 ft
Lightship displacement:	18.6 tons
Sail upwind:	167 sqm
Gennaker:	185 sqm
Engines:	2 x 60 HP
Fresh water:	174.4 US gal
Fuel capacity:	2 x 155 US gal
Number of cabins:	From 3 to 4
Number of berths:	From 6 to 10
Heardoom:	2.05 m
Architect:	Pierre Delion
Interior design:	Darnet Design

IN LINE WITH THE GARCIA EXPLORATION RANGE

NOWHERE YOU CAN'T GO

EXPLORATION 45

LENGTH OVERALL	14.88 m
BEAM	4.44 m
DRAUGHT	1.14/2.90 m
DISPLACEMENT	14.6 t
SAIL UPWIND	91 sqm

EXPLORATION 52

LENGTH OVERALL	16.65 m
BEAM	4.80 m
DRAUGHT	1.27/2.90 m
DISPLACEMENT	19.5 t
SAIL UPWIND	120.5 sqm

EXPLORATION 60

LENGTH OVERALL	19.50 m
BEAM	5.40 m
DRAUGHT	1.50/3.65 m
DISPLACEMENT	30 t
SAIL UPWIND	172 sqm

Garcia Explocat 52 extends the Garcia Exploration range, designed in collaboration with Jimmy Cornell, and which consists of the Garcia Exploration 45 (launched 2014), Garcia Exploration 52 (launched 2016) and future Garcia Exploration 60 (launching 2022).

GARCIA YACHTS, A BRAND OF GRAND LARGE YACHTING GROUP

>> A KEY PLAYER IN THE EUROPEAN YACHTING INDUSTRY:

CREATED IN 2003
MORE THAN 500 DIRECT JOBS IN FRANCE
7 CONSTRUCTION SITES
2000+ BOATS PRODUCED SINCE 2003
75% OF THE PRODUCTION SOLD FOR EXPORT
11 COMPANIES PRESENT ON OUR VARIOUS
MARKETS

>> THREE MAIN MARKETS:

- _ *LEISURE MARKET:*
LEADING EUROPEAN MANUFACTURER
DEDICATED TO BLUE WATER SAILING.
- _ *SERVICES MARKET:*
TRAINING ON LAND OR AT SEA, BROKERAGE,
CONCIERGE SERVICES, REFIT.
- _ *PROFESSIONAL MARINE MARKET:*
A VARIED RANGE OF RIVER AND SEA VESSELS.

Garcia Explocat 52

THE ULTIMATE ALUMINUM EXPLORATION CATAMARAN

Launched 7th July 2020 - Exhibited at Grand Pavois La Rochelle 2020
(sail upon request around the event)
